

2024 “Amaneceres” Reserva Torrontés

Wine

This Torrontés comes from the southern part of Luján de Cuyo, close to Tupungato and Ugarteche at an altitude of 960 metres above sea level. It is an elegant yet full wine with refreshing acidity and a long finish.

On the nose the wine shows complex aromas of rhubarb, mint, orange peel, bergamot and lemon. These aromas are complemented by cloves, musk, jasmine, oakmoss and fennel and lingering notes of caraway, green tea, jasmine and amber.

Varietal
100% Torrontes

Harvest
Selective hand harvest
